

Our Laboratories

The students have an easy access to all the laboratories which are architecturally beautiful and interesting centres of learning and knowledge through hands on experience of available resource. The school ensures that practical knowledge is placed on an equal footing with theoretical knowledge for the all-round development of the students. For this purpose, the school has various laboratories, which provide in-depth knowledge to the students.

- ❖ Physics Laboratory
- ❖ Chemistry Laboratory
- ❖ Biology Laboratory
- ❖ Computer Laboratory
- ❖ Mathematics Laboratory
- ❖ Geography Laboratory

The student-friendly atmosphere in these laboratories helps to enrich the overall personality of the students through motivation and reinforcement. All laboratories are spacious and fully equipped with latest gadgets and equipments as per the latest requirement of the students. Well-trained professionals assist and encourage students to work individually or in groups for enhancing their innovative and scientific skills
